Dear admission committee,

I willingly offer my recommendation for Smith Mark’s application for admission to your MBA program.

Subject: Letter of Recommendation for Mr. Bob Johnson, ID# 123-45-678

Mr. Bob Johnson asked me to write a letter of recommendation in support of his application for an Internal Medicine residency and I enthusiastically agreed. Bob waived his right to see this letter. I came to know Bob during his 6 week long 3rd year internal medicine clerkship in May-June [year]. I am the associate clerkship director for internal medicine at [X] Medical Center. I also functioned as Bob's preceptor for the final three weeks of his internal medicine clerkship. These duties permitted me to interview every physician that worked with him at our facility, so I believe I can accurately portray his performance.

Clearly, Bob is in the top third of the 24 3rd year [medical school] students I have seen this academic year. All of his evaluators agreed that he could function at the sub-intern level if not the intern level. On several occasions, he was permitted to make all of the management decisions on a patient under his care. I was particularly impressed with his detailed histories that he presented very clearly. In his papers, it was obvious that he truly understood the disease processes of his patients. On rounds, he could routinely offer a reasonable management plan. He also had all the important professional qualities, to include meticulous work habits, respect for superiors, and being a good team player.

I'd also like to add that I think he is more intelligent than his standardized test scores indicate. When we reviewed several multiple choice style questions together, it was clear to me that even though he knew the material, he was not picking the correct answer because he didn't understand the question being asked. I gave him some exercises to work on and hopefully his test taking skills will improve. Please note that in every clinical situation it was readily apparent that his knowledge base exceeded his peers.

In summary, Bob Johnson is a superb medical student in all aspects. I strongly recommend him for residency in internal medicine, and would gladly accept him in my own program.

Please note I limit all of my letters of recommendation to one page or less. Please contact me if you have any questions regarding Bob Johnson. I may be reached as follows: [555-555-5555] or [first.last@official]
